## EDUCATION

**B.S. in Computer Science**
@ Carleton University,
May 2023

## TECH STACK

**Front End:** HTML/CSS, JavaScript/JQuery
**Frameworks:** Vue.js, Spring Security, Bootstrap
**Back End:** Python, Java, C, C++
**Databases:** MongoDB, SQL

## TOOLS

**Development:** Linux, IntelliJ, Eclipse, git/Github, WordPress, Visual Studio Code

**Design:** Figma, Canva, AdobeXD, InVision, proto.io

## DOMAINS

Web Development
Data Structures
Object-Oriented Programming
Design Thinking
Databases

## OTHER SKILLS

Workshop Facilitator
Digital Art
Tech Support
Excellent Communication Skills
Conversational fluency in American Sign Language
Mentorship

## ACHIEVEMENTS

**CyberSCI Regional Winner**
JANUARY 2021

**Forecasting New Normal Hackathon Winner**
NOVEMBER 2020

## AFFILIATIONS

Women in Science and Engineering
Women in Computer Science
Technolgap
Code Path

## WORK EXPERIENCE

### FRONT END DEVELOPER + QUALITY ASSURANCE

@ TOHacks
JANUARY 2021 - PRESENT

- Developed, from prototype to production, Vue.js web app for judges for hackathon scoring;

- Maintained high-quality web app by debugging and retesting bug fixes, creating production-level code

### WEB DEVELOPER + DESIGNER

@ Peel Halton Workforce Development Group
AUGUST 2020 - OCTOBER 2020

- Designed high-fidelity website prototype using Figma for early consumer feedback;

- Created wordpress website using HTML/CSS with revamped information and enable job postings for consumers, which increase site discoverability by 130%

### PEER CONDUCT BOARD MEMBER

@ Carleton University
SEPTEMBER 2019 - APRIL 2020

- Validated student emotions through active listening by applying residence standards for education sanctions;

- Collaborated with team to document meetings to provide early feedback to students

### WEB DEVELOPER + WORKSHOP FACILITATOR

@ Teens Learn to Drive
MAY 2019 - JULY 2019

- Refactored secure implementations of server-side rendering, speeding up loading time, reducing code duplication and improving search engine optimization.

## LEADERSHIP EXPERIENCE

### COMMUNITY DIRECTOR @ CUHACKING

NOVEMBER 2020 - PRESENT

### MENTOR + WEB DEVELOPER @ EGGX

OCTOBER 2020 - PRESENT

### WISE WEB DESIGNER + DEVELOPER

JULY 2020 - PRESENT
